Good to know

- To meet the deadline, it is enough to send your cancellation **before the 14-day period expires**.

- **Unless you have chosen the optional early DNO start** (see your Terms & Conditions), we will not begin any work – including the DNO / grid application – until the 14-day cancellation period has expired.
- If you chose the **optional early DNO start** and you cancel within the 14 days, the only charge that applies is the **DNO Application Fee** already incurred – nothing else.
- We will **refund any deposit or payment** you have made (other than any DNO Application Fee already incurred under the early-start option) within 14 days of receiving your cancellation.
